

BRACKLEY COMMUNITY COUNCIL MEETING – MINUTES
October 18, 2017

Council Members: Leonard MacCormack, Chair
Chris Beer, Vice-Chair
John Dalziel
Dhuey Pratt
Brendon McKenna
Joey MacLaren
Ron Collett

Administrator: Maureen Cudmore

Call to Order:

The meeting was called to order by Leonard MacCormack, Chair at 8:25 p.m. The Agenda was adjusted to accommodate a conference call.

Review of Minutes, September 20, 2017:

The “draft” minutes of the September 20th meeting were distributed to Council members a week prior and the Chair questioned if there were any errors or omissions. Error noted under Reports regarding a new door: “Ron” will check out the price not “Dhuey”.

M-1 Motion:

It was moved by Joey MacLaren and seconded by Dhuey Pratt to accept the minutes, once amended, as approved. Motion carried.

Review of Action Items:

- ✓ A draft letter to Frank Cowan Insurance was reviewed; a copy will be forwarded to Hyndman & Company.

Discussion Arising from Minutes:

There was no discussion arising from the minutes.

Next Meeting:

The next regular Council meeting is scheduled for Wednesday, November 15th at 7:00 p.m. at the Commons.

Development/Sub-Division Permits:

There were no development/sub-division permits issued during the month of September:

Reports:

- One family received a recreation subsidy of \$300.00 on September 24th.
- Ron Collett reported he recently attended a joint EMO meeting at the North Shore Community Centre. Brackley's EMO plan has not been updated since 2008 and needs to be revised with a new call list of who will do what in the community, etc. The focus at the meeting was on having cots/hygiene kits, extra power bars, etc. available and what is required for at least a 4 day emergency shelter. It was suggested setting up a joint account for emergency supplies. A template and bylaw has to be "read in".
- Brendon provided an update on the Municipal Growth Study and to date, 3 communities (Miltonvale Park, York and Brackley) have put forward their resolution to participate in the study.
- Brendon also mentioned the idea of strong boxes for flyers that was discussed at the last meeting. It was suggested to place a notice in the Notes and News and community residents can respond within 2 weeks; if no concerns expressed, the project will go ahead.
- Brendon forwarded a letter off to the Traffic Operations Engineer regarding speed reduction in the community; it is expected a response will be received soon.
- The in-floor heating has been turned on. Discussion took place on the problem with renters tampering with the remote control and the varying temperatures that have occurred over the past few months.
- Chris provided the following update: the post at the gate is damaged; he will contact DNS to have this repaired. Riley's Snow Removal has agreed to provide the same service as last year with no price increase. The outside door to the washrooms will be locked now until the spring.

New Business:

- John reported on the recent Marathon and suggested for the April meeting to start discussions on having a water station/music etc. set up at the Commons for the runners/walkers during the 2018 Marathon.

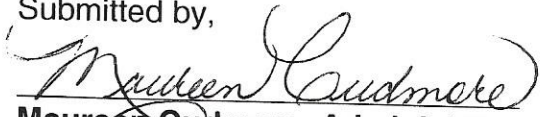

- John also provided research information on speed notification signs. The best method for controlling speed and cost efficiency is a radar posted sign similar to ones used in Hunter River; prices range from \$1,900-\$3,500. The data information can be tailored to specific times with 48 timed traffic patterns.
- The Semi-Annual Meeting of the PEI Federation of Municipalities is scheduled for Saturday, November 4th in Montague. One Councillor and the Administrator will attend.

Adjournment:

M-2 Motion:

It was moved by Joey MacLaren and seconded by Dhuey Pratt to adjourn the meeting. Motion Carried. There being no further business, the meeting was adjourned at 9:30 p.m.

Submitted by,

Maureen Cudmore, Administrator
