Brackley PE, Proposed East Coast international

Dear Mr. French,

Water Service

APM has secured permission from the City of Charlottetown, to extend the water line to the property rezoned to M1. The water service will be established and in service prior to occupancy.

Sanitary Sewer

A suitably sized septic system will be constructed in full conformance with the Provincial regulations and will be approved by the Provincial Authority for use prior to occupancy of the building.

Please feel free to contact us if you have any questions.

Sincerely,
APM Construction Services Inc.

Ian Harper, P.Eng
VP of Engineering Services
